

Spring Greening

In support of Cradles to Crayons

When: March 29th - April 7

What: We are collecting gently used children's clothing, shoes, pajamas*, socks*, underwear* and books

* Please note that socks, underwear and pajamas need to be new and in the package

All donations will be donated to Cradles to Crayons in support of children and families in low income or homeless situations. This project partners with Project 351, a youth service organization that unites young leaders throughout the Commonwealth of Massachusetts.

Any donation, no matter what size, will directly impact the life of a young child or family in need of clean clothes.

If you wish to make a monetary donation or have any questions, feel free to contact me, Emily Gareri, (2015 Ambassador) at my email emilyeg2000@gmail.com. Thank you for your support with this drive.
